After reading *'A Child Called It'*, *'The Lost Boy'*, and *'A Man Named Dave'*, I felt almost as if I knew Dave Pelzer personally. That may seem strange, but after surviving an abusive childhood, I understand his way of thinking, his past insecurities, his need to prove himself, and his willingness to give of himself but being held back by the fear of being rejected. Now, after reading *'The Privilege of Youth'*, which should be read after *'The Lost Boy'* as something akin to a missing chapter that was significant to Dave's development from a *'Lost Boy'* to *'A Man Named Dave'*, I still feel the

exact same way I felt after completing 'A Man Named Dave'. Although 'The Privilege of Youth' can be described as a 229 page missing chapter to 'The Lost Boy', that doesn't mean that it's not a completed work on its own. The first chapter begins just as the previous three books, with a memory from Dave's past. This memory is about how Dave heard about the death of the man who Dave considered to be the father he never had, Dan Brazell. The rest of the chapter is dedicated to Dave's memory of the last time he saw Dan. From the first chapter on, the book continues with Dave recounting the reckless moments of his life, the emotional and revealing conversations he had with his two best friends during his teenage years, and the countless hours he spent slaving away so that when he had to leave foster care at eighteen, he would have enough money to make it in the world. Although Dave supplied a great deal of information about his adventures in Duinsmoore in 'The Lost Boy', we get to know even more about them in this instalment in the series.
