# Aesthetic Restorative Dentistry: Principles And Practice

## Synopsis

Aesthetic Restorative Dentistry: Principles and Practices has been called "The most comprehensive work on aesthetic and restorative dentistry available today!" In one resource, the world's leading educators in the field provide detailed instruction in key aspects of aesthetic and restorative dentistry. Exploring a wide array of clinical concepts and approaches through more than 1,000 color photographs, diagrams, and illustrations, this book demonstrates best practices and new innovations in a concise, easy-to-read format. Covering both fundamental procedures and advanced techniques, this book is ideally suited for readers of all skill levels.

## Customer Reviews

I had trouble finding this book by these two stellar researchers and clinicians. The book is esthetically beautiful, and is an excellent source of expert information. I highly highly recommend it for all clinicians.
