I am a big fan of Mel Brooks and more recently a fan of his newest hit musical formerly starring Nathan Lane and Matthew Broderick. Since then I have been reading *The Producers* forum at the official website, and almost every week someone asks "Where can I get a copy of the sheet music" or some variation there of. Well here it is! This collection of 19 catchy tunes and hilarious lyrics is great for singing along with a piano accompaniment. The songs include ...'Til Him, *Along Came Bialy*, *Betrayed*, *Der Guten Tag Hop-Clop*, *Goodbye!*, *Haben Sie Gehort Das Deutsche Band? (Have You Ever Heard The German Band?)*, *Heil Myself*, *I Wanna Be A Producer*, *In Old Bavaria*, *Keep It Gay*,

Opening Night, Prisoners Of Love (Leo & Max), Springtime For Hitler, That Face, The King Of Broadway, We Can Do It, When You Got It, Flaunt It, Where Did We Go Right?, and You Never Say Good Luck On Opening Night! This is almost every song on the CD (with the exception of the Overture and the reprise of Opening Night). With this book you'll have an opportunity to sing, hum, clap and hail Mel the way you may have done when you saw this great Broadway hit!

This book is wonderful....I bought a movie of the recording it's Wonderful EVERYONE should buy it!!!!

i wanted this for fairly specific pieces- got what i needed. hard to tell on if it's the score you're getting or a book about the producers but -pew- it was song selections. it's only pieces and excerpts so you don't get absolutely everything (ie you couldn't use it to stage your own production)but suited my purposes well.

I had no idea that Mel Brooks could write music. The catchiness and charm of his songs really surprised me - I did not expect to like the music of "The Producers" so much until I saw the movie (not the theater production, alas!). After that I knew I had to have the piano/vocal music!
