Visual Essentials Of Anatomy & Physiology

Synopsis

Visual Essentials of Anatomy & Physiology combines a visual approach with a modular organization to deliver an easy-to-use and time-efficient book that uniquely meets the needs of today's students without sacrificing the coverage of A&P topics required for careers in nursing and other allied health professions. This book is geared toward students enrolled in a one-semester A&P course.

Book Information

Series: Visual

Paperback: 800 pages

Publisher: Pearson; 1 edition (January 30, 2012)

Language: English

ISBN-10: 0321780779

ISBN-13: 978-0321780775

Product Dimensions: 9 x 1.1 x 10.8 inches

Customer Reviews

Lots of pictures and diagrams that complement the book's challenging read, but a fun and great necessity towards a career in biology, nursing and the health field. If you're thinking of studying A & P, I would highly recommend this book to start with.

Anatomy and physiology are difficult subjects but this book made it easy and fast to learn. The visuals are not only labeled with a name but also include information about it. I highly recommend this book!

It was awesome how it was packaged in a box and it had air bags to protect it. What was even more awesome was the fact that it came in a day earlier than it was projected to arrive. It's a really good book as a supplementary resource. I'm a visual learner, and the diagrams are wonderfully made.

And gosh, the way it's structured - it's so organized. Sure, there's lots of content to learn, but it takes a bit of perseverance, and this book sure helps a lot.

Gonna be really cool to just have to take my kindle to class instead of a big huge book awesome

Great text book that includes lots of diagrams and pictures with detailed explanations of the human anatomy. Good compared to other textbooks.

So much to remember but illustrated well. Gives a very good overall picture of the human body.

Great book, came on time, low price, easy to return! is the best for renting!

Excellent condition and cd highly recommended for others to purchase from
