Customer Reviews

As I write this, I've never met Sergei. I commissioned a mermaid photograph online from Sergei for a book cover. The mermaids serving beer underwater in one-liter bottles are from that shoot. I love Moalboal, and have been there twice. Like Sergei, I snorkel and free dive only. And that's enough to enter the magical wonderland of Moalboal, Cebu, Philippines. You can even enjoy it while safely encased in a life-jacket, without missing very much. SEE PARADISE BEFORE IT DISAPPEARS. If you can't go to the Philippines, this book is required reading/viewing for anyone who loves planet Earth.

If you've never felt the pleasure of slipping into a mermaid costume to swim through an underwater paradise, this is the photo book that will change your life. Mermaids are as real as unicorns and twice as photogenic. Let merman Sergei guide you through his tropical playground where women

(and a few guys) from around the world slip into something more comfortable and swim with the fishes.

The author has a sense of humor that comes through in the photos and captions, and the subject matter is beautiful and unique in its setting. I also have to give credit to the school principal that posed for one shot.

What a fascinating project captured by one of my all time favorite photographs, Sergei Tokmakov. This book captures a breathtaking depiction of an undersea variation on "Beauty and the Beast" love story. Sergei has done an amazing job of capturing the natural beauty of the South Pacific undersea marine life in contrast to the exotic beauty of world-class "mermaids" from around the world. Sergei's creative and masterful photographic abilities are unsurpassed and an inspiration to all.
