# What Media Classes Really Want To Discuss: A Student Guide

## Synopsis

You probably already have a clear idea of what a "discussion guide for students" is: a series of not-very-interesting questions at the end of a textbook chapter. Instead of triggering thought-provoking class discussion, all too often these guides are time-consuming and ineffective. This is not that kind of discussion guide. *What Media Classes Really Want To Discuss* focuses on topics that introductory textbooks generally ignore, although they are prominent in students'™ minds. Using approachable prose, this book will give students a more precise critical language to discuss "common sense" phenomena about media. The book acknowledges that students begin introductory film and television courses thinking they already know a great deal about the subject. *What Media Classes Really Want To Discuss* provides students with a solid starting point for discussing "their assumptions critically" and encourages the reader to argue with the book, furthering the 'discussion' on media in everyday life and in the classroom.

## Book Information

Paperback: 168 pages

Publisher: Routledge; 1 edition (August 29, 2010)

Language: English

ISBN-10: 0415778123

ISBN-13: 978-0415778121

Product Dimensions: 5.4 x 0.5 x 8.4 inches
