The Wedding Photography Checklist (The Wedding Planning Checklist Series Book 1)

Synopsis

The Wedding Photography Checklist By Tenille Gregory The Wedding Photography Checklist is a widespread list of photo opportunities for the big day. It includes 350+ photo suggestions including when to take portraits, official photos, candid shots as well as who poses with whom in the attendant and family photos. And don't forget important items on the day, such as a close up of the bride's perfume bottle, special jewellery, ceremony programs and reception table centrepieces. It is perfect for:

1. Amateur wedding photographers
2. Professional photographers who are new to wedding photography
3. Brides and grooms who want to make sure they get the right shots

TABLE OF CONTENTS

Photography Before the Wedding
Your Photographer
Amateur Photography
Photo Suggestions
Photos to be taken pre-ceremony with the bride
Photos to be taken pre-ceremony with the groom
Photos to be taken at the ceremony
Photos to be taken in-between the ceremony and reception
Photos to be taken at the reception
Photography Enhancements, Printing and Distribution
Top Tips

The simple checklist format acts as a blueprint for the entire day. You can easily flow through the day from start to finish selecting what you would like and eliminate what you don't.

- Pre-ceremony photos to be taken with the bride (72 ideas)
- Pre-ceremony photos to be taken with the groom (50 ideas)
- Photos to be taken at the ceremony (73 ideas)
- Photos to be taken in-between the ceremony and reception (120 ideas)
- Photos to be taken at the reception (82 ideas)

Wedding day photographs will provide lasting memories for years to come so the last thing you want to do is miss that perfect shot. Click on 'look inside' above to sample this book now!

Customer Reviews

Three stars because it is only a list. Not a lot more; however, it is essential for planning. I am shooting my first wedding in eight months and this book was a great idea generator. I would recommend this book to those planning their first wedding shoot. Good luck.

As a semi-professional photographer I am always looking for new and better information concerning photography knowledge and techniques. Not all books are created equal, but each one has practical information that will improve your photography.

This checklist is great! So much better than I expected!! Have not been able to find anything like this anywhere.

This book was an excellent source for helping me as a new wedding photographer to develop a shot list. I would recommend it to any new wedding photography.

I am a fan of lists. Having something like this can help the day go smoother. Weddings are already stressful as it is.):
