#### **Customer Reviews**

The trivia within this book is delightful. As an avid fan, I enjoy re-reading the books and re-watching the movies. I find new things all the time. This book provides another excuse to see and read about Harry and the warding world again.

A cute book but I feel that the story trivia and movie trivia should have been separated. Don't pay for this "book". Read for free if available.

It was amazing Facts from the movies and the booksI liked the way it told the facts but I would not buy it in physical form

It wasn't bad but it wasn't that great and I usually like a 600 or more paged book but overall it was

Wow I can't believe half of the facts like how the nineteen years later part is going to be in the future.
