Customer Reviews

I got this book to help master my skills with photography. I love taking pictures of my children, my nieces, and nephews. This book has taught me a lot and I can't wait to start shooting better pictures of my loved ones. I recommend this book to everyone that loves taking pictures.

This book taught me how to master the art of Photography and I am taking more pictures then ever before. The author does a great job giving you different techniques and strategies to perfecting the art of digital photography. Great read

Photography is an art for me. You can capture the beauty of souls, world, and people in photography. For those aspiring photographer, this book would be a perfect guide for you. This book reveals the secrets of breathtaking photographs that captures amazing reality. This is very exciting to read and discover all about photography. I highly recommend this book.

This book provides a lot of helpful info for beginners. I particularly enjoyed reading the section on depth of field and aperture. That alone was well worth the price of the book for me. I highly recommend it.
