## Customer Reviews

The twenty lighthouses are selected from the various 'Great Lakes' states. Only one is a duplicate (the bonus one, I suppose). The images are beautiful, show very vivid colors, and would please any lighthouse collector. I purchased this collection of postcards to send across the world via PostCrossing, but be aware that the cards are oversize and will require first-class letter postage.

I love the pictures on this postcard book that I decided to keep one copy for myself and order more for the postcrossing, worldwide postcard exchange club, for which I am a very happy member. I appreciate the very fast shipping and I like the very good quality of the card stock.

This book contains 21 "postcards" of Great Lakes lighthouses. Although I wouldn't use them as postcards, they are great glossy 4x6 photos on hard card stock, even suitable for framing. A wide range of lighthouses thruout the Great Lakes region, winter photos, spring and fall and even summer. My favorite photo is the full moon over the Whitefish Point Light Station on Lake Superior. The night shot at the Grand Haven Lighthouse is a close second. These photos give inspiration as to what a lighthouse photo session should try to achieve.

Everyone at Postcrossing loves them.

Absolutely beautiful postcards!
